PORTFOLIO | www.harrywg.dev

ABOUT | Hi, I'm Harry and I'm passionate about building with code. I work hard, have an attention to detail, and love to learn new technologies and build amazing products with them. Right now, I'm looking for the right opportunity to work as a front-end developer.

EXPERIENCE | **FREELANCE WEB DEVELOPER**

Worked with:

CCMusic, Drum Shop Glasgow, Glasgow Orchestral Society, Therapy Derbyshire, First Chord Music School, Kirakiralab.

- Provided custom CSS to small companies with websites built using WordPress and other CMS site builders.
- Developed custom website for local therapy clinic.
- Developed multiple full-stack web applications in modern frameworks.

OTHER EXPERIENCE

- Worked for Curry's in sales, specializing in computing.
- Paid volunteer as administrator for NHS bank.
- 4 years of experience as a music / music production teacher

SKILLS | **React | HTML5 | CSS3 | JavaScript | ES6 | CMS | Webpack**

Photoshop | Figma

EDUCATION | **UNIVERSITY OF GLASGOW** 2021 – 2023 PART TIME

- MSc Sound Design and Audiovisual Practice

ACM GUILDFORD 2018 – 2020

- Ba Hons Music Industry Practice
